APPLIED LEARNING SURVEYS
SY25-26 Timeline

Teachers and students in Applied Learning programs that receive school grants from the One8 Foundation are required to complete annual surveys. Surveys ***provide vital insights*** into how teachers and students experience Applied Learning programs and ***help us understand how to best support schools***. Surveys are each designed to take 15 minutes to complete, and we thank you for taking the time to participate.

To help you plan, please see dates for all Applied Learning program surveys for SY25-26.
